

TOWN HALL >> JUNE 20, 2026

VISCOM 40 (OR 45)

Add URLs for the 2 ISSUU links to these notes.

Keep Zines
Or any hands-on activities
Cyanotypes

Keep Photovoice

Requested to extend to 20 minutes >>>NO WAY. Keep it15.

Large screen and great sound >> continue.

WHERE WE GO NEXT FOR VISCOM 41 >>

Ireland (maybe 2 years in advance or VisCom and VisCom International)
Roxanne in Ireland >> has offered to host and said could rent a castle
OR Australia >> Sulley there and has offered to host
^^ Probably not international for now

Heather > up-state NY? (She not present at meeting this year)
Gabby > Anna-Maria Island off of Florida >> Humidity? > “You would all die”

Julie > Santa Fe (not this year) > not sure if institution would pay, etc.
Maybe do with David >> **David** will research, but Julie would organize.
Cloud Croft, NM (southern NM) > elevation 8-9,000 ft >> discussion about difficulties for many attendees with the lack of oxygen

Big Bear Lake, CA >> **Scott** will look into this
>>Also talk to David G. about maybe doing

Krishnan >> Maryland >> offered to look into any locations
Or maybe Asheville, NC >> or other East Coast no bugs no humidity cheap

Deadline for information >> By July 15th

Dates >>
Be aware of those on quarters systems

3rd or 4th week of June << do some 5 days

>> Avoid having on Juneteenth >>> Saturday, June 19, 2027

Discussion >> people who aren't present who might do this

Julie >>

Registration

Ask people to pay an extra \$10 that goes into a scholarship for grad students to attend the conference the next year

Kim has a whole list of fun ideas (See end of notes)

Trischa >> discussion of major costs >> would've been safer with \$350 registration fee
Maybe we all make meals at a place we stay at with a kitchen
